

# Let's Get Back On Track

THE Bolton News is calling for the town's rail services to be improved.  
We want to see the number of peak-hour carriages re-instated and increased.  
Add your name below to give your support to our campaign and Let's Get Back  
On Track.

Return your completed petition to: Let's Get Back On Track, Editorial Department, The Bolton News, The Wellsprings, Civic Centre, Bolton, BL1 1AR. We will present the petition to transport bosses.
